Below is a disclaimer you are welcomed to use. You may want to run it by your legal team. Feel free to include our logo and company name along with the posted results. We encourage you to link back to our website to establish the credibility of a third-party analysis firm for your customers.

DISCLAIMER: This chart was compiled with the assistance of our third-party nutrition consultants, On The Menu, LLC. On The Menu uses the most up-to-date nutrition information from our suppliers as well as the ESHA Research database, which includes the USDA's National Nutrient Database for Standard Reference, the foundation of most food and nutrition databases in the US. Some variations may occur due to differences in product assembly or preparation at the restaurant, season of the year, region of the country, local suppliers or use of an alternative supplier or ingredient. This listing is periodically updated to reflect the current status of our products.
